Missouri City Green Presents Kristine Rivers of Birding for Fun

Learn the Basics of Birding and More!

About the speaker: Kristine Rivers is a lifelong birder, author, and the founder of Birding for Fun, an organization offering guided tours, workshops, and family-friendly events that embrace her philosophy that nature should be accessible to everyone.

Kristine enjoys sharing her love of nature, offering virtual birding classes and workshops year-round, as well as in-person classes and events. She is a proud Texas Master Naturalist, and served as President of her local chapter from 2017 to 2019.
