

# THE PLASTIC PROBLEM

by Tejas (for Product Insight)

*An invitation to write poetry to spread awareness on plastic pollution!*

I CANNOT HELP BUT STOP AND LOOK AT THE LAND  
I CANNOT HELP BUT STOP AND LOOK AT THE OCEAN  
I CANNOT HELP BUT STOP AND LOOK AT THE LAND AND OCEAN FILLED  
WITH PLASTIC!

PLASTIC IS A VIRUS, A HARMFUL DISEASE  
A HARMFUL PARTICLE THAT SPREADS EVERYWHERE-  
IT SPREADS LIKE WILDFIRE. IF THIS CONTINUES,  
THERE WILL BE NO LIFE LEFT IN THE OCEAN  
THERE WILL BE NO CLEAN AIR TO BREATHE  
THERE WILL BE NO HEALTHY LIVING ON LAND  
I CANNOT HELP BUT STOP AND LOOK AT THE WAY WE ARE RUINING OUR  
BEAUTIFUL MOTHER NATURE!

I CANNOT HELP BUT STOP AND LOOK FOR A CURE TO THIS!

CURE IS IN OUR MINDSET-

THE CURE IS-"SAY NO TO PLASTIC"

IF WE FOLLOWED THAT,

OCEANS WOULD BE BRIGHT AND CLEAN

LAND WOULD BE FREE OF CHEMICALS

PLANTS, ANIMALS AND HUMANS CAN THRIVE

I CANNOT HELP BUT STOP BY AND REMIND YOU ALL THAT

"WE ARE THE FUTURE AND WE SHOULD START BRINGING IN CHANGE IN  
ORDER TO PROTECT OUR ENVIRONMENT"

PLEASE SAY "NO TO PLASTIC"
