

ARE YOU UP FOR
THE CHALLENGE?

MISSOURI CITY TREE CHALLENGE

The Nichols Family of Quail Valley, has generously offered to match their neighbor's tree donations, for up to 50 trees at Missouri City Parks. Starting in the 2014 planting season, trees will be planted at five city parks. Trees will average 6'-12' tall at the time of planting. The City Forester will select the appropriate species and location for each tree sponsored. Your donation will be recognized on the official Missouri City website at www.missouricitytx.gov.

Name: _____

Email: _____

*a confirmation email will be sent to you once your tree(s) have been planted
